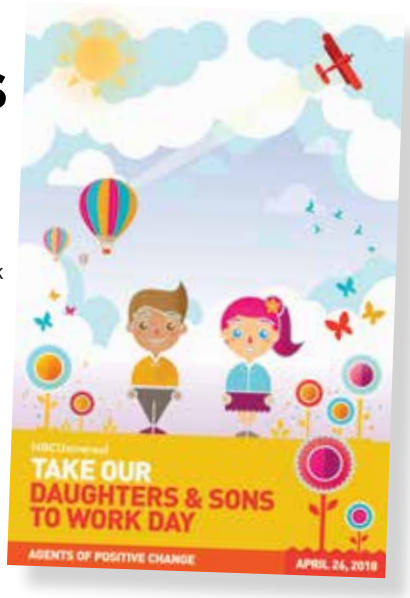
Registration Details: Take Our Daughters and Sons to Work Day



Take Our Daughters and Sons to Work Day is a nationally-recognized program that fosters understanding of the workplace environment, encourages learning, builds company pride, and strengthens the parent-child relationship. Each year, Universal Orlando Resort participates in "Take Our Daughters and Sons to Work Day," offering our offspring (ages 9, 10 & 11) the opportunity to see what it's like to work at our resort. This year's event will take place on Thursday, April 26 with a theme of "Agents of Positive Change," in alignment with the nationally-recognized program.

NEW THIS YEAR

- At its core, the spirit and intent of Take Our Daughters and Sons to Work Day is to offer the opportunity to share your workplace with your kids. Therefore, to participate in this year's event, each child must be accompanied by their parent/legal guardian that is a UO Team Member, and not their spouse or partner. You'll be able to witness your child's experience in the exciting day we have planned for them firsthand!
- Space is limited for this event and in years past, registration for participation took place on a first-come, first-served basis. Based on your feedback, and to expand the opportunity for participation, this year registration will remain open for a window of time and then Team Members will be randomly selected to participate. This alleviates the stress of having to be at a computer to register at a specific time and ensures that everyone has an equal opportunity to participate.

Register for Your Chance to Participate

Tuesday, March 20 through Thursday, March 22 on UOTeam.com

Registration opens Tuesday, March 20 at **noon** through Thursday, March 22 at 6:00pm. During this time, just visit **UOTeam.com** and select **'Register for a Chance to Participate in Take Your Daughters and Sons to Work Day 2018'** under **'Latest News.'**

Before completing the registration form, please ensure the that you (non-UO Team Member parents or guardians are not eligible to participate) are available to participate on **Thursday, April 26 from 8:00am to 3:30pm.** In addition, we recommend that you verify your child does not have any school conflicts on Thursday, April 26, as many students may be scheduled to complete Florida Standards Assessments during this time.

After the registration period closes, participants will be randomly selected and notified on **Monday, March 26** with additional event details.

CityWalk Introduces "Safety Venue of the Month" Program

Leadership at Universal's CityWalk has introduced a new recognition program this year called **"CityWalk's Safety Venue of the Month"** to encourage Team Members to become more consistently involved in company safety initiatives.

Management at each venue selects at least two of their Team Members (one Front-of-House, one Back-of-House) to participate in the CityWalk Safety Committee Meetings, representing their venue, bringing best practices to each meeting, and taking the information discussed back to their teams.

Each month, a different venue is recognized for their commitment to safety. The winning venue is awarded a trophy to celebrate their hard work, and the Team Member Safety Representatives are rewarded with extra prizes for their involvement. Congratulations to the winners so far!

JANUARY
Venue: Cinnabon®
Representatives: Evelyn Alvarez and Yulicer Ponce De Leon

FEBRUARY
Venue: The Cowfish®
Representatives: Sasha Moral and Dylan Woessner

UNIVERSAL CITYWALK™ ORLANDO

SPOTLIGHT

This month, we are shining the spotlight on **NBC Sports Grill & Brew** with a unique sports-dining experience unlike anything you've seen before. We recently had the opportunity to take a tour with the NBC Sports Grill & Brew leadership team and learn more about what sets it apart. Check out some of the cool facts we learned:

The SIGHTS AND SOUNDS

You can't miss the the massive HD stadium screen overhead the entrance of NBC Sports Grill & Brew - it's more than 100-feet wide!

There are over 100 high-definition screens inside the restaurant that immerse you in a stream of sports coverage as you drink and dine.

The 2nd level of NBC Sports Grill & Brew is designed to make you feel like you're in a skybox - while you're up there, don't miss the banners commemorating the evolution of the NBC logo hanging above and the cool dining area surrounded by brew tanks.

When big NBC sports events are happening, NBC Sports Grill & Brew is the place to be. During this year's Winter Olympics, guests enjoyed the games on the big screen with special outdoor seating and menu service along with an outdoor bar!

Talk about bringing the sports experience directly to your table - check out the working foosball and shuffleboard tables throughout the restaurant!

The phone booth (located just inside the entrance) is a direct phone line to connect to a topic-driven sports talk show on NBC Sports radio on Sirius XM. Just pick up the phone during select on-air hours for the opportunity to call in and speak "On Air" with radio personalities during a variety of popular NBC Sports shows!

The TASTES

There are over 100 bottles and drafts of beer to choose from, including local favorites, unique imports, ciders, and more. NBC Sports Grill & Brew features an exclusive series of drafts, 862 (named for the venue's project number). 862 is offered as an IPA and a seasonal selection that rotates throughout the year. Currently the seasonal 862 beer on tap is 'Winterlandschaft Pilsner.'

The NBC Sports Grill & Brew team was polled on their favorite appetizer and entrée at the restaurant - check out the results:

Entrée: Bang-Bang Chicken

Appetizer: Large Warm Soft Pretzel

Expect much more than your average bar food: Loaded Chili Nachos, Asian Grilled Shrimp Salad, burgers, ribs smoked in-house with made-from-scratch barbecue sauce, insane desserts...the list goes on. And get your camera ready if you order the JUMBO pretzel - you just have to hold it up to your head for comparison purposes.
